Google Docs This anticipation guide template allows teachers to type a statement into the box, and print for student use.

Students will read the anticipation guide statements BEFORE reading, and decide if they believe the statement to be true.

Anticipation Guide Template For Teachers

Construction of the anticipation guide should be as simple as possible for younger students.

Write four to six statements about key ideas in the text; some true and some false. Include columns following each statement, which can be left blank or can be labeled Yes, or No (Maybe can also be used). NOTE: Teachers

Anticipation Guide Template For

Teachers - wisel.it

Background. An Anticipation Guide is a strategy that is used before reading to activate students' prior knowledge and build curiosity about a new topic. Before reading a selection, students respond to several statements that challenge or support their preconceived ideas about key concepts in the text. Using this strategy stimulates students' interest in a topic and sets a purpose for reading.
