This is a cute story written with fun rhyme. It is an easy read for young children. Based on the illustrations, you see that a little boy is taken to a baseball game. Towards the middle of the story, the little boy starts saying goodnight to everything, which reminds me of the very much read older book "Goodnight Moon" written by Margaret Wise Brown.

Goodnight Baseball is a picture book that will appeal to young children, especially baseball lovers. It is written in rhymes, which works well for the most part. There are only a few lines here and there that don't quite work. The illustrations are sweet and perfect for the story.
