Guided Instruction  
and Practice | Janine  
Schaub

You can guide students through these four strategies during guided reading. Take turns letting each student predict, clarify, question, and summarize. Only a few weeks is needed (depending on age).

# Online Library Guided Practice

Then students can use these strategies with peers without your support.

Guided Reading Strategies -  
TeamTom Education  
Working on using prediction strategies in guided reading encourages the student to read closely for inferences

# Online Library Guided Practice

and other clues that will indicate the journey the text may take. It also encourages the student to pay close attention to the content of the text as they read.
