tried to explode Santa and the elf but Santa lowered the elf on a rope and he clipped the wire so it wouldnt blow up.

~~How to Catch an Elf by Adam Wallace — Goodreads~~

Students in Mrs. Schroeder's class read the book, 'How To Catch an Elf'. They then worked together in groups and used their creative minds to build their own elf traps. Later, they took a walk around the school to set their traps. The following day, they went on an "elf hunt" to check their traps. They caught...

~~How to catch your ELF flying  
— Your Modern Family~~

We used a cardboard box to catch the elf. The kids used pieces of straws to hold the box up, then they attached a string to the straws. When the elf gets inside the box, they decided the best way to trap him would be to pull the string quickly and drop the box. This took a few trial rounds until they got the momentum of pulling just right.
