Introduction The Diploma

Programme The Diploma

Programme is a rigorous pre-university course of study

designed for students in the 16 to

19 age range. It is a broad-based

two-year course that aims to

encourage students to be

knowledgeable and inquiring, but

also caring and compassionate.

## Course Guide

International Baccalaureate  
Diploma Programme Subject Brief  
Mathematics across the IB  
continuum The IB continuum of  
international education provides a  
progression of learning for  
students aged 3–19. In the IB  
Primary Years Programme (PYP),  
mathematics is viewed primarily  
as a vehicle to support inquiry,  
providing a universal language  
through which we make sense of  
the world around us.

## Course Guide

Baccalaureate®

Here, we give you the complete list of all Standard Level (SL) and Higher Level (HL) IB classes.

Every IB school is different, so your own school might not offer all the IB courses below. However, these are all the classes the IB has created a curriculum and test for. There are in total 57 classes (counting HL and SL separately).

### The Complete List of IB Courses and Classes

The IB recommends 240 teaching hours for HL subjects and 150 hours for SL. Subjects at HL are studied in greater depth and breadth than at SL. At both levels many skills are developed, especially those of critical thinking and analysis. At the end

## Ib Math HL Study Guide

Improved by 3 points! "I took the Biology SL and Math Studies revision courses, for biology I received a 4 on my diploma, which was my goal for that subject. For math I received a 5 on my diploma which I was very happy with. This means that I went up by three points for math between my mock exams and my final exams, and went up one point for biology, so indeed I am very grateful for the revision course!".
