Syracuse University and the David R. Cook Professor of Philosophy Emeritus at Villanova University. Caputo is a major figure associated with postmodern Christianity and continental philosophy of religion, as well as the founder of the theological movement known as weak theology. Much of Caputo's work focuses on hermeneutics, phenomenology, deconstruction and theology.

God's existence is a human responsibility, which may or may not happen. For John D. Caputo, God's existence is haunted by "perhaps," which does not signify indecisiveness but an openness to risk, to the unforeseeable. Perhaps constitutes a theology of what is to come and what we cannot see coming. Responding to current critics of continental philosophy, Caputo explores the materiality of perhaps and the promise of the world.

John D. Caputo - Amazon.co.uk

It was Caputo's original reading of Derrida that was his most pioneering work, specifically his argument that deconstruction was not a negative or

John D. Caputo TRUTH London: Penguin Books, 26 September 2013

978-1846146008 By Tim Crane John D. Caputo's book is one in a new series from Penguin called "Philosophy in Transit".

The "transit" theme has a number of dimensions: the publisher announces that the authors use "various modes of transportation as their starting point", and the books will use this idea to represent some aspect of the current state of philosophy itself (a leading metaphor of Caputo's book is that ...

intellectually. Instead of finding the winding trip down philosophical memory lane thought provoking, I found it more of a weak cherry picking of arguments to support Caputo's stance on truth.

Truth by John D. Caputo

John D. Caputo is a hybrid philosopher/theologian intent on producing impure thoughts, thoughts which circulate between philosophy and theology, short-circuits which deny fixed and rigorous boundaries between philosophy and theology. Caputo treats "sacred" texts as a poetics of the human condition, or as a "theo-poetics," a poetics of the event harbored in the name of God.

Many less good crossover books, however, swap genuine illumination for the promise of making readers feel smarter. Unfortunately, John D Caputo's new book *Truth* (Penguin, £8.99)—the first in a new series of intelligent but accessible volumes of philosophy for people to read on their way to and from work—falls into the latter category.

John D Caputo's truth problems | Prospect Magazine

I love John Caputo. I have only read four of his books, but one of those was *The Weakness of God* – and that is a crowned jewel in my library. If you have not read it, you can just check out chapter 4 of *What Would Jesus Deconstruct?* where he summarizes it in about 7 pages. I love when he says things like:

John D. Caputo has a long career as one of the preeminent postmodern philosophers in America. The author of such books as *Radical Hermeneutics*, *The Prayers and Tears of Jacques Derrida*, and *The Weakness of God*, Caputo now reflects on his spiritual journey from a Catholic altar boy in 1950s Philadelphia to a philosopher after the death of God.
