The Keys message is simple - When students understand how material will help them get where they want to go, they will become more motivated and able to retain what they learn. Because this text shows readers how what helps them succeed in college will also serve them on the job and in life, Keys to Success, appeals to every age (traditional and older) and stage (full-time, part-time, working, parenting) of student.

Obtaining the key to success in any area of life.....depends on social ETIQUETTE skills. It doesn't matter who you are, what you do, or where you want to go, if you don't have the proper social etiquette the doors to success will not easily open for you. Our society is based on social interactions, from obtaining our first job to landing large promotions, starting our own business, traveling in foreign countries, enrolling in universities, or speaking about causes and experiences closest to us. Social etiquette is at the heart of success. Social etiquette is a universal language that knows no boundaries.??? Those who master social etiquette feel comfortable, confident, and able to communicate effectively in any social situation. THE KEY CLASS is your go-to-guide for mastering social and business etiquette. Taught by world-renowned special event producer John Daly, The Key Class presents a rare and unique program custom tailored to fit the needs of any organization, school, corporation, or individual.

Although the keys to social and business etiquette are universal, there is no one-size-fits-all route to achieving personal success.
