This is one of the most memorable and gripping works of fiction that I have ever read. The book is a coming of age story about the birth of Japan's foremost samurai warrior 'Mushashi'. I find that this book teaches a lot about values (if indirectly). Musashi has to learn to control his own arrogance, and accept instruction from a number of mentors along his path.

Miyamoto Musashi (???, 12 March 1584, Ōhara-Chō, - 13 June 1645), also known as Shinmen Takezō, Miyamoto Bennosuke or, by his Buddhist name, Niten Dōraku, was a Japanese swordsman, philosopher, strategist, writer and rōnin. Musashi, as he was often simply known, became renowned through stories of his unique double-bladed swordsmanship and undefeated record in his 61 duels (next ...

Miyamoto Musashi - Wikipedia

The " Dokkōdō " (Japanese: 道徳) ("The Path of Aloneness", "The Way to Go Forth Alone", or "The Way of Walking Alone"), is a short work written by Miyamoto Musashi a week before he died in 1645. It consists of 21 precepts. "Dokkodo" was largely composed on the occasion of Musashi giving away his possessions in preparation for death, and was dedicated to his favorite disciple, Terao Magonjō (to whom the earlier Go rin no sho [The Book of Five Rings] had also been dedicated), who ...

Dokkōdō - Wikipedia

183 quotes from Miyamoto Musashi: '1. Accept everything just the way it is. 2. Do not seek pleasure for its own sake. 3. Do not, under any circumstances, depend on a partial feeling. 4. Think lightly of yourself and deeply of the world. 5. Be detached from desire your whole life long. 6. Do not regret what you have done. 7. Never be jealous. 8.

Musashi Miyamoto - Way of the Samurai

Musashi The Way Of Samurai Eiji Yoshikawa

The Samurai Series brings together three of the most important books dealing with the Samurai path and philosophy into one deluxe, illustrated hardcover volume. The Book of Five Rings was written by Miyamoto Musashi, a Samurai of legendary renown, about 1645. It is a masterpiece of simple exposition written by a master swordsman, who, near the end of his spectacular life, tried earnestly to explain the essentials of individual combat and the essence of being a Samurai.

The Samurai Series: The Book of Five Rings, Hagakure - The ...

The classic samurai novel about the real exploits of the most famous swordsman. Miyamoto Musashi was the child of an era when Japan was emerging from decades of civil strife. Lured to the great Battle of Sekigahara in 1600 by the hope of becoming a samurai--without really knowing what it meant--he regains consciousness after the battle to find himself lying defeated, dazed and wounded among thousands of the dead and dying.

Musashi: An Epic Novel of the Samurai Era eBook: Yoshikawa ...

The Book of Five Rings by Miyamoto Musashi is a text on kenjutsu and the martial arts in general, written by the samurai warrior Miyamoto Musashi circa 1645. It is considered a classic treatise on military strategy, much like Sun Tzu's The Art of War and Chanakya's Arthashastra.

Honor: Samurai Philosophy of Life - The Essential Samurai ...

Musashi states that the use of glaive-like naginata and spears are purely for the field, whereas the longsword and accompanying short-sword can be used

The classic samurai novel about the real exploits of the most famous swordsman. Miyamoto Musashi was the child of an era when Japan was emerging from decades of civil strife. Lured to the great Battle of Sekigahara in 1600 by the hope of becoming a samurai--without really knowing what it meant--he regains consciousness after the battle to find himself lying defeated, dazed and wounded among thousands of the dead and dying. On his way home, he commits a rash act, becomes a fugitive and brings life in his own village to a standstill--until he is captured by a weaponless Zen monk. The lovely Otsu, seeing in Musashi her ideal of manliness, frees him from his tortuous punishment, but he is recaptured and imprisoned. During three years of solitary confinement, he delves into the classics of Japan and China. When he is set free again, he rejects the position of samurai and for the next several years pursues his goal relentlessly, looking neither to left nor to right. Ever so slowly it dawns on him that following the Way of the Sword is not simply a matter of finding a target for his brute strength. Continually striving to perfect his technique, which leads him to a unique style of fighting with two swords simultaneously, he travels far and wide, challenging fighters of many disciplines, taking nature to be his ultimate and severest teacher and undergoing the rigorous training of those who follow the Way. He is supremely successful in his encounters, but in the Art of War he perceives the way of peaceful and prosperous governance and disciplines himself to be a real human being. He becomes a reluctant hero to a host of people whose lives he has touched and been touched by. And, inevitably, he has to pit his skill against the naked blade of his greatest rival. Musashi is a novel in the best tradition of Japanese story telling. It is a living story, subtle and imaginative, teeming with memorable characters, many of them historical. Interweaving themes of unrequited love, misguided revenge, filial piety and absolute dedication to the Way of the Samurai, it depicts vividly a world Westerners know only vaguely. Full of gusto and humor, it has an epic quality and universal appeal. The novel was made into a three-part movie by Director Hiroshi Inagai. For more information, visit the Shopping area

Miyamoto Musashi (1584?1645) was the legendary samurai known throughout the world as a master swordsman, spiritual seeker, and author of the classic book on strategy, the Book of Five Rings. Over 350 years after his death, Musashi and his legacy still fascinate us and continue to inspire artists, authors, and filmmakers. Here, respected translator and expert on samurai culture William Scott Wilson has created both a vivid account of a fascinating period in feudal Japan and a portrait of the courageous, iconoclastic samurai who wrestled with philosophical and spiritual ideas that are as relevant today as they were in his time. For Musashi, the way of the martial arts was about mastery of the mind rather than simply technical prowess--and it is this path to mastery that is the core teaching in his Book of Five Rings. This volume includes supplemental material on Musashi's legacy as a martial arts icon, his impact on literature and film, and the influence of his Book of Five Rings.

In "A Book of Five Rings," Miyamoto Musashi takes the reader into a world filled to the brim with devotion, self-respect, discipline, honesty and purity of thought. Written originally for warriors and samurai in a completely different time and culture, Musashi's book provides a remarkable source of inspiration for self-development today. His teachings are concise and to the point. He uses phrases like "you must understand this" and "you must practice diligently" and explains only general, but unquestionable and fundamental, concepts of the Way of the Warrior. While some of his guidelines are not directly applicable in our time and age, those about striving to achieve improvement on the inside as well as the outside couldn't be more on target. Taken literally this book is about how to become an efficient, albeit enlightened, killer. It's value comes from reading between the lines--lines which speak volumes.

Miyamoto Musashi (1584-1645) is the most famous Samurai who ever lived. His magnum opus, the Go-Rin-Sho or Book of Five Rings is a classic that is still read by tens of thousands of people each year--Japanese and foreigners alike. Alex Bennett's groundbreaking new translation of The Book of Five Rings reveals the true meaning of this text for the first time. Like Sun Tzu's The Art of War, Musashi's book offers unique insights, not just for warriors, but for anyone wanting to apply the Zen Buddhist principle of awareness to achieve success in their endeavors. This book sheds new light on Japanese history and on the philosophical meaning of Bushido--the ancient "code of the Japanese warrior." Unlike other translations that are based on incomplete and inaccurate versions of Musashi's work, Bennett's is the first to be based on a careful reconstruction of the long-lost original manuscript.

Read Online Musashi The Way Of Samurai Eiji Yoshikawa

Capturing the subtle nuances of the original Japanese classic, the result is a far more accurate and meaningful English version of The Book of Five Rings text. Richly annotated and with an extensive introduction to Musashi's life, this version includes a collection of his other writings—translated into English for the first time. A respected scholar, as well as a skilled martial artist, Bennett's understanding of Musashi's life and work is unparalleled. This book will be widely read by students of Japanese culture, history, military strategy, and martial arts. It sets a new standard against which all other translations will be measured.

Miyamoto Musashi, who lived in Japan in the fifteenth century, was a renowned samurai warrior. He has become a martial arts icon, known not just as an undefeated dueler, but also as a master of battlefield strategy. Kenji Tokitsu turns a critical eye on Musashi's life and writings, separating fact from fiction, and giving a clear picture of the man behind the myth. Musashi's best-known work, The Book of Five Rings, provides timeless insight into the nature of conflict. Tokitsu translates and provides extensive commentary on that popular work, as well as three other short texts on strategy that were written before it, and a longer, later work entitled "The Way to Be Followed Alone." Tokitsu is a thoughtful and informed guide, putting the historical and philosophical aspects of the text into context, and illuminating the etymological nuances of particular Japanese words and phrases. As a modern martial artist and a scholar, Tokitsu provides a view of Musashi's life and ideas that is accessible and relevant to today's readers and martial arts students.

Translated from the Japanese by Charles C. Terry.

The Dokkōdō (道) "The Way of Walking Alone" is a short work consisting of 21 timeless principles, wisdoms and reflections. Written by the legendary swordsman, philosopher, strategist, writer and ronin Miyamoto Musashi a week before he died in 1645, remaining forever a treasure. "Think lightly of yourself and deeply of the world."

They were the two most feared swordsmen of their age: Miyamoto Musashi, mysterious and introspective, and Sasaki Kojiro, arrogant and ambitious. In war-torn Japan, each was thrust forward as a hero of opposing sides . . . and began their final epic confrontation.

After a Zen priest saves Musashi after the Battle of Sekigahara and confines him in solitude to train and discipline his mind and spirit, Musashi attempts to become the greatest samurai in Japan
