“Take time and trouble to keep yourself spiritually fit.” — 1 Tim. 4:7, J. B. Phillips Translation As J. Oswald Sanders points out, true discipleship is more than intellectual assent to a belief in Christ; it involves the whole person and lifestyle. True disciples pursue their Master. They know that God is watching over their faith, but they also take Scripture’s command seriously: “work out your own salvation with fear and trembling, for it is God who works in you.” They take pains, by His power, to look more and more like Jesus. This book will help you to be such a disciple. It examines Jesus’ teaching on what it means to follow Him, helping you become the kind of Christian Jesus wants you to be—not one devised by man or even other Christians. You’ll learn: The profile of an ideal disciple Conditions for discipleship The tests that disciples endure How disciples pray and grow The posture and practices of a disciple And more For anyone who wants to be not just a believer in Christ, but an imitator of Him, this book is a treasured resource. Includes questions for reflection, ideal for both individual and group study.

David Servant has been ministering to Christian leaders in conferences around the world for over three decades. From his experience of speaking to tens of thousands of pastors in over forty countries, he has compiled biblical teaching in this book that addresses the most important issues that Christian leaders are facing today. Servant covers topics such as church growth, spiritual warfare, divorce and remarriage, biblical interpretation, house churches, women in ministry, church government, spiritual gifts, evangelism and many more. He often questions the prevailing opinion, always considering what Scripture says. His conclusions may sometimes surprise you. Servant's foundational condition is that every Christian leader should be making disciples who obey all of Christ's commandments. Translated into many languages, The Disciple-Making Minister is helping Christian leader around the world be more effective in fulfilling the Great Commission.

Christian discipleship is a fundamental biblical trust demonstrated in the ministry of Jesus Christ and within the early church. Knowing the importance of discipleship, Jesus walked closely with his disciples to influence their lives so they could, in turn, influence the world-an impact felt around the world for many generations. Christendom today puts less emphasis on the importance of Christian discipleship, and the result is a generation of believers who are not deeply rooted in the basic principles of Christianity. Proper Christian discipleship can not only equip believers with tools for effective ministry but also establish in them the basic biblical truths that they can pass on to future generations. The Five Pillars of Discipleship stresses the importance of five basic principles in Christian growth: Word of God, prayer, evangelism, fellowship, and praise and worship. Christians who constantly practice these things will be spiritually strong and also sound in Christian doctrines. Uplifting and encouraging, this guide calls on pastors and ministers of the gospel to return to the fundamental truth of biblical discipleship for the benefit of all believers and their ministry.

The Living Victoriously booklet is a 7-week study from BCF. Based completely on Scriptures, it is a practical look at everyday problems - their purpose in our lives, how we can overcome them, and walk daily in victory in the midst of trials, in the power of the Holy Spirit. Living Victoriously teaches the basics of: [] The hope we can have as we go through difficult times [] How and why God allows trials in our life [] Practical biblical principles for change [] How to practice those principles in our daily walk with Christ Living Victoriously is in a workbook format, and focuses on practical application in your daily life, providing passages for you to look up, and spaces for you to answer questions. It can be used as a personal devotional, as a one-on-one study, or in a small-group setting. Jesus did not tell His disciples that their problems would go away if they followed Him. In fact, He prepared them for battle, telling them what they would face, and taught them how to walk through those trials in victory, being Himself the ultimate demonstration of victorious living. Jesus also taught the disciples these things so that they could, in turn, teach others. This short course is about Christians living victoriously in the daily battles and struggles of life. It is also about how to come alongside and help others through those challenging times. This course will cover the following topics: [] Understanding tests, temptations, and problems biblically [] The biblical view of "self" [] Biblical hope [] Biblical change: dealing with problems God’s way [] Biblical practice: our daily walk with Christ [] Biblical discipleship: coming alongside others Believers need to see how to have victory in the midst of problems with relationships, temptations to fear and worry, depression, life-dominating habit patterns and so on. Living victoriously in the midst of life’s challenges is only possible with the resources that the Lord has provided to us as believers in the empowering of the Holy Spirit. This course will help you learn what those resources are, and provides the basic biblical principles for victory, and then how to apply them in overcoming the daily problems of life. Finally, this training will help you know how to encourage others to do the same.

Discipleship is in a state of crisis today! Many Christians are not growing in Christ and are stuck in the process of reaching spiritual maturity. Sadly, what discipleship meant in the time of Christ is vastly different than what it means today. Moreover, the importance Christ and the apostles gave to discipleship is also stunningly different than the importance many Christians and churches today give it. Unlike the disciples who had much of Scripture memorized, a whopping 81% of Christians today don't read their Bible regularly. Unlike Christ's disciples who were "Fishers of Men," 61% of believers today haven't shared their faith in the past six months. And sadly, unlike Christ and the apostles who made discipleship the central focus of their ministries, 81% of pastors today have no regular discipleship programs in their churches. Discipleship is being neglected today, and the consequences are crippling. This book hopes to change that!Chapter 1 focuses on the state of discipleship in the lives of Christians and churches today and exposes the sad truth that it's in crisis mode. Chapter 2 reveals 14 key factors contributing to the lack of discipleship today and how they're affecting our lives. Chapter 3 defines biblical discipleship based upon central phrases Christ used in His ministry. Chapter 4 unfolds 14 essential components of the discipleship-making process that must be understood and practiced in order to attain spiritual maturity. Chapter 5 provides practical help on how to grow in each of the essential components of discipleship. It contains encouraging news and functional steps on how to grow in Christ. It also includes self-assessment tests to measure our level of spiritual maturity in each essential component of discipleship and gives hands-on, useful ideas on taking steps toward spiritual maturity.
