After that, he wrote *Pyretown*, which criticises America's managed care health system through a romance between a divorced mother and a young, wheelchair-using man. Belluso joined the crew of the HBO western drama *Deadwood* as a writer for the first season in 2004, writing "The Trial of Jack McCall".

John Belluso - Wikipedia

John Belluso's *Pyretown* has few subtleties. An emotional blast on the red tape, unfairness, and inadequacies of the managed health care system in the United States, the two-act play begins as a burgeoning love story. Louise is a frazzled mother with single-parent responsibilities

Talkin' Broadway Regional Theatre News & Reviews - "Pyretown"

This article explores the significance of disability identity at work in John Belluso's 2004 play Pyretown on two primary levels: the level of the play and the level of production. At the level of the play, the dramaturgical use of the lived experience of disability is examined through a postpositivist realist lens.

Why Disability Identity Matters: From Dramaturgy to ...
