Sleepaway Slasher (2020) - IMDb

A slasher film is a subgenre of horror films involving a killer murdering a group of people, usually by use of bladed tools. Although the term "slasher" may occasionally be used informally as a generic term for any horror film involving murder, film analysts cite an established set of characteristics which set slasher films apart from other horror subgenres, such as splatter films and ...

Slasher film - Wikipedia

Let's run through a quick history of Slasher as it's a little complicated. The Canadian anthology horror series is created by Shaftesbury Films who aired the first season on Super Channel in CA and Chiller in the US. After those services fell through, both seasons 2 & 3 have rocked up exclusively on Netflix.

“Whether you’re an old-school fright fanatic looking to relive the grindhouse glory or a horror newbie . . . [this book] is a magnificent read.” —Fangoria The slasher movie is the most reviled but successful of horror’s subgenres. Taking its cue from Hitchcock, grindhouse movies, and the gory Italian giallo thrillers of the 1970s, slasher movies brought a new high in cinematic violence and suspense to mainstream cinema. For six bloody years (1978-1984)—the golden age of slashers—cinema screens and video stores were stalked by homicidal maniacs with murder and mayhem on their minds. The Teenage Slasher Movie Book details the subgenre’s surprising beginnings, revels in its g(l)ory days, and discusses its recent resurgence. Packed with reviews of the best (and worst) slasher movies and illustrated with an extensive collection of distinctive and often graphic color poster artwork from around the world, this book also looks at the political, cultural, and social influences on the slasher movie and its own effect on other film genres. “The ultimate treatise of terror.”

Having fended off the attack on the hospital, Asuma hopes to get back to a quiet life of stealing panties and trying to get closer to Innami, but all is not well at Meidou Girls’ Academy. There’s a spy in their midst from the kaijin-worshipping Ultra Reincarnation Party, and the headmistress is determined to find them—no matter the cost. With kaijin popping up all over the city and the enemy setting their sights on Asuma, can the academy smoke out the traitor before it’s too late?

Meet Christine, a data-entry specialist discovering her sexuality and her penchant for blood. What is this monster brewing inside her?

An anthology of stories inspired by classic horror tales features contributions by leading suspense and young adult authors, including Stefan Bachmann, Leigh Bardugo and Kendare Blake.

Blood flows through the halls as the Ultra Reincarnation Party assaults Meidou Girls’ Academy! While Asuma stands alone against a horde of kaijin roaming across campus, The girls head to the vault to arm themselves with their mementos. But what awaits them is their former teacher and spy for the Ultra Reincarnation Party, Kawase-sensei! As a former Maiden herself, she wields terrifying power. Can Innami and the others prevail?

>

You hold in your hands stories of horror, mayhem, and the macabre. Springer Mountain Press presents the Summer Slasher Horror Anthology, which offers sixteen frightening stories from some of

the freshest voices in horror writing. You'll find unspeakable evil lurking deep within a mineshaft, a television broadcasting your worst nightmares, a knife-wielding killer stalking a summer camp, and many more terrifying tales. Read at your own risk, for what you'll find on these pages is sure to haunt you long after summertime is over.

Retrieving their mementos, the Slasher Maidens strike back against the kaijin assaulting Meidou Girls' Academy. However, standing in their way are high-ranking members of the Ultra Reincarnation Party wielding mementos of their own! And with the climactic battle nearing its conclusion, Asuma's thoughts turn to his promised reward—has the time finally come for him to lose his virginity?!

Asuma Sudou has always been a proud pervert, but he's sworn to give that up to chase the girl of his dreams. Having received a special invitation to enter the same all-girls school as her, he's planning to live his romantic youth to the fullest. But those plans are cut short when it turns out the school is a front for a secret organization dedicated to battling kaijin-monsters created when people succumb to their murderous impulses! The girls of the school fight using the relics of defeated kaijin, but when the bloodthirsty instincts sealed within threaten to overwhelm them, Asuma is the only one who can bring them back to their senses!

John Carpenter's *Halloween*, released on October 25, 1978, marked the beginning of the horror film's most colorful, controversial, and successful offshoot—the slasher film. Loved by fans and reviled by critics for its iconic psychopaths, gory special effects, brainless teenagers in peril, and more than a bit of soft-core sex, the slasher film secured its legacy as a cultural phenomenon and continues to be popular today. This work traces the evolution of the slasher film from 1978 when it was a fledgling genre, through the early 1980s

Where To Download Slasher

when it was one of the most profitable and prolific genres in Hollywood, on to its decline in popularity around 1986. An introduction provides a brief history of the Grand Guignol, the pre-cinema forerunner of the slasher film, films such as Psycho and The Texas Chainsaw Massacre, and cinematic trends that gave rise to the slasher film. Also explained are the slasher film's characteristics, conventions, and cinematic devices, such as the "final girl," the omnipotent killer, the relationship between sex and death, the significant date or setting, and the point-of-view of the killer. The chapters that follow are devoted to the years 1978 through 1986 and analyze significant films from each year. The Toolbox Murders, When a Stranger Calls, the Friday the 13th movies, My Bloody Valentine, The Slumber Party Massacre, Psycho II, and April Fool's Day are among those analyzed. The late 90s resurrection of slasher films, as seen in Scream and I Know What You Did Last Summer, is also explored, as well as the future direction of slasher films.
