~~About Us | @ Teaching School Alliance~~

In other words, all teaching involves recognizing and cultivating ‘learning moments’ or ‘teaching moments’. It was Robert J Havinghurst who coined the term ‘teachable moment’. One of his interests as an educationalist was the way in which certain things have to be learned in order for people to develop.

INTRODUCTION. Norton (1997, p 427) states that ‘English belongs to all people who speak it, whether native and non-native, whether ESL or EFL, whether standard or non- standard’. My argument specifies this statement in relation to teaching English properly where I strongly believe that the English language in the teaching world belongs to those who can use it in the right way.
