In a world where one can literally get lost in literature, Thursday Next, a Special Operative in literary detection, tries to stop the world's Third Most Wanted criminal from kidnapping characters, including Jane Eyre, from works of literature.

Great Britain circa 1985: time travel is routine, cloning is a reality (dodos are the

# Read Book The Eyre Affair Thursday Next Book 1

resurrected pet of choice), and literature is taken very, very seriously. Baconians are trying to convince the world that Francis Bacon really wrote Shakespeare, there are riots between the Surrealists and Impressionists, and thousands of men are named John Milton, an homage to the real Milton and a very confusing situation for the police. Amidst all this, Acheron Hades, Third Most Wanted Man In the World, steals the original manuscript of Martin Chuzzlewit and kills a minor character, who then disappears from every volume of the novel ever printed! But that's just a prelude.

# Read Book The Eyre Affair Thursday Next Book 1

Featuring Thursday Next, literary detective.

There is another 1985, somewhere in the could-have-been, where Thursday Next is a literary detective without squat, fear, or boyfriend. Thursday is on the trail of the villainous Acheron Hades, who has been kidnapping characters from works of fiction and holding them to ransom. Jane Eyre herself has been plucked from the novel of the same name, and Thursday must find a way into the book to repair the damage. She also has to find time to halt the ongoing Crimean conflict,

# Read Book The Eyre Affair Thursday Next Book 1

persuade the man she loves to marry her, rescue her aunt from inside a Wordsworth poem and figure out who really wrote Shakespeare's plays. Aided and abetted by a cast of characters that includes her time-travelling father, Jack Schitt of the all-power Goliath Corporation, a pet dodo named Pickwick and Edward Rochester himself, Thursday embarks on an adventure that will take your breath away. A delight for anyone who has ever wondered where bananas come from or why Leigh Delamere motorway services are so peculiarly named, The Eyre Affair is classic storytelling at its most engrossing. The world will never

# Read Book The Eyre Affair Thursday Next Book 1

look the same again...

Jasper Fforde's beloved New York Times bestselling novel introduces literary detective Thursday Next and her alternate reality of literature-obsessed England—from the author of *The Constant Rabbit Fans* of Douglas Adams and P. G. Wodehouse will love visiting Jasper Fforde's Great Britain, circa 1985, when time travel is routine, cloning is a reality (dodos are the resurrected pet of choice), and literature is taken very, very seriously: it's a bibliophile's dream. England is a virtual police state where an

# Read Book The Eyre Affair Thursday Next Book 1

aunt can get lost (literally) in a Wordsworth poem and forging Byronic verse is a punishable offense. All this is business as usual for Thursday Next, renowned Special Operative in literary detection. But when someone begins kidnapping characters from works of literature and plucks Jane Eyre from the pages of Brontë's novel, Thursday is faced with the challenge of her career. Fforde's ingenious fantasy—enhanced by a Web site that re-creates the world of the novel—unites intrigue with English literature in a delightfully witty mix.

# Read Book The Eyre Affair Thursday Next Book 1

The second installment in Jasper Fforde's New York Times bestselling series follows literary detective Thursday Next on another adventure in her alternate reality of literature-obsessed England—from the author of *The Constant Rabbit*. The inventive, exuberant, and totally original literary fun that began with *The Eyre Affair* continues with New York Times bestselling author Jasper Fforde's magnificent second adventure starring the resourceful, fearless literary sleuth Thursday Next. When Landen, the love of her life, is eradicated by the corrupt multinational Goliath Corporation, Thursday

# Read Book The Eyre Affair Thursday Next Book 1

must moonlight as a Prose Resource Operative of Jurisdiction—the police force inside the BookWorld. She is apprenticed to the man-hating Miss Havisham from Dickens's Great Expectations, who grudgingly shows Thursday the ropes. And she gains just enough skill to get herself in a real mess entering the pages of Poe's "The Raven." What she really wants is to get Landen back. But this latest mission is not without further complications. Along with jumping into the works of Kafka and Austen, and even Beatrix Potter's The Tale of the Flopsy Bunnies, Thursday finds herself the target of a series of potentially

# Read Book The Eyre Affair Thursday Next Book 1

lethal coincidences, the authenticator of a newly discovered play by the Bard himself, and the only one who can prevent an unidentifiable pink sludge from engulfing all life on Earth. It's another genre-bending blend of crime fiction, fantasy, and top-drawer literary entertainment for fans of Douglas Adams and P. G. Wodehouse. Thursday's zany investigations continue with *The Well of Lost Plots*.

First published in the United States by Viking Penguin, 2012.

# Read Book The Eyre Affair Thursday Next Book 1

Thursday Next adventure.

The sixth installment of the New York Times bestselling Thursday Next series—from the author of The Constant Rabbit Jasper Fforde's exuberant return to the fantastical BookWorld opens during a time of great unrest. All-out Genre war is rumbling, and the BookWorld desperately needs a heroine like Thursday Next. But with the real Thursday apparently retired to the Realworld, the Council of Genres turns to the written Thursday. The Council wants her to pretend to be the real Thursday and travel as a peacekeeping

# Read Book The Eyre Affair Thursday Next Book 1

emissary to the warring factions. A trip up the mighty Metaphoric River beckons—a trip that will reveal a fiendish plot that threatens the very fabric of the BookWorld itself. Once again New York Times bestselling author Jasper Fforde has a field day gleefully blending satire, romance, and thriller with literary allusions galore in a fantastic adventure through the landscape of a frisky and fertile imagination. Fans will rejoice that their favorite character in the Fforde universe is back. Watch a Video

An instant New York Times bestseller The

# Read Book The Eyre Affair Thursday Next Book 1

latest standalone novel from Jasper Fforde, the bestselling author the Thursday Next series and the forthcoming standalone The Constant Rabbit Every Winter, the human population hibernates. During those bitterly cold four months, the nation is a snow-draped landscape of desolate loneliness, devoid of human activity. Well, not quite. Your name is Charlie Worthing and it's your first season with the Winter Consuls, the committed but mildly unhinged group of misfits who are responsible for ensuring the hibernatory safe passage of the sleeping masses. You are investigating an outbreak of viral dreams

# Read Book The Eyre Affair Thursday Next Book 1

which you dismiss as nonsense; nothing more than a quirky artefact born of the sleeping mind. When the dreams start to kill people, it's unsettling. When you get the dreams too, it's weird. When they start to come true, you begin to doubt your sanity. But teasing truth from the Winter is never easy: You have to avoid the Villains and their penchant for murder, kidnapping and stamp collecting; ensure you aren't eaten by Nightwalkers, whose thirst for human flesh can only be satisfied by comfort food; and sidestep the increasingly less-than-mythical WinterVolk. But so long as you remember to wrap up

# Read Book The Eyre Affair Thursday Next Book 1

warmly, you'll be fine.
