~~The Robert C Martin Clean~~

In Clean Code, legendary software expert Robert C. Martin has teamed up with his colleagues from Object Mentor to distill their best agile practice of cleaning code “ on the fly ” into a book that will instill within you the values of a software craftsman and make you a better programmer--but only if you work at it. You will be challenged to think about what ’ s right about that code and ...

Robert C. Martin (Uncle Bob) has been a programmer since 1970. He is cofounder of cleancoders.com, which offers online video training for software developers, and is founder of Uncle Bob Consulting LLC, which offers software consulting, training, and skill development services to major corporations worldwide.

~~Clean Agile: Back to Basics (Robert C. Martin Series ...~~

Clean Architecture failed to meet my expectations on a number of fronts. Despite Mr. Martin's obvious passion for the topic, Clean Architecture is poorly organized, lacks examples, and is silent on working with existing systems. The author missed a major opportunity to teach us when and how to apply these lessons to our own systems.
