The third edition ofVis-À -viscontinues the excitement of the innovative second edition with a fully integrated and revised multimedia package and updated cultural information presented in the à€œCorrespondanceà€ feature (chapter opening letter, postcard, or e-mail, which is answered in the mid-lesson à€œCorrespondanceà€ cultural spread) and in the new à€œBienvenue dans le monde francophoneà€ feature that recurs after every four chapters in the text. The overall goal of the revision remains the same as that of the second edition: to promote a balanced four-skills approach to learning French through a wide variety of listening, speaking, reading, and writing activities, while introducing students to the richness and diversity of the Francophone world.
