National Bestseller The untold story behind the most shocking political upheaval in the country. For more than a century, Wisconsin has been known nationwide for its progressive ideas and government. It famously served as a "laboratory of democracy," a cradle of the labor and environmental movements, and birthplace of the Wisconsin Idea, which championed expertise in the service of the common good.

But following a Republican sweep of the state's government in 2010, Wisconsin's political heritage was overturned, and the state went Republican for the first time in three decades in the 2016 presidential election, elevating Donald J. Trump to the presidency. *The Fall of Wisconsin* is a deeply reported, searing account of how the state's progressive tradition was undone and turned into a model for national conservatives bent on remaking the country. Dan Kaufman, a Wisconsin native who has been covering the story for several years, traces the history of progressivism that made Wisconsin so widely admired, from the work of celebrated politicians like Robert "Fighting Bob" La Follette and Gaylord Nelson, to local traditions like Milwaukee's "sewer socialism," to the conservationist ideas of Aldo Leopold and the state's Native American tribes. Kaufman reveals how the "divide-and-conquer" strategy of Governor Scott Walker and his allies pitted Wisconsin's citizens against one another so powerful corporations and wealthy donors could effectively take control of state government. As a result, laws protecting voting rights, labor unions, the environment, and public education were rapidly dismantled. Neither sentimental nor despairing, Kaufman also chronicles the remarkable efforts of citizens who are fighting to reclaim Wisconsin's progressive legacy against tremendous odds: Chris Taylor, a Democratic assemblywoman exposing the national conservative infrastructure, Mike Wiggins, the head of a Chippewa tribe battling an out-of-state mining company, and Randy Bryce, the ironworker whose long-shot challenge to Speaker of the House Paul Ryan has galvanized national resistance to Trump.

From state natural areas to state trails, lake shores to rivers, Wisconsin has a wealth of public lands for your enjoyment. These are your public lands and are there for you to connect with the outdoors. If you are looking for a place to fish, hunt, or trap, this atlas will help you find public access opportunities to do so. If you are interested in wildlife watching, hiking, or skiing in the winter, the book will help direct you to prime places to do these activities, and others, as well. The book consists of: (1) introductory information, (2) 441 color maps, (3) indexes, (4) glossary and (5) contact information. A new edition of the book is expected every two years.

Title 10, Energy, Parts 500-End

Founded in 1957, Chase's observes its 60th anniversary with the 2018 edition! Users will find everything worth knowing and celebrating for each day of the year: 12,500 holidays, historical milestones, famous birthdays, festivals, sporting events and much more. "One of the most impressive reference volumes in the world."--Publishers Weekly.

Wisconsin Off the Beaten Path features the things travelers and locals want to see and experience--if only they knew about them. From the best in local dining to quirky cultural tidbits to hidden attractions, unique finds, and unusual locales, Wisconsin Off the Beaten Path takes the reader down the road less traveled and reveals a side of Wisconsin that other guidebooks just don't offer.

Perfect Camping for You in Wisconsin! The Badger State provides a spectacular backdrop for some of the most scenic campgrounds in the country. But do you know which campgrounds offer the most privacy? Which are the best for first-time campers? Veteran outdoors writers Kevin Revolinski and Johnny Molloy have traversed the entire state--from the shores of Lake Superior to the surprisingly hilly terrain of Sidie Hollow--and compiled the most up-to-date research to steer you to the perfect spot! *Best Tent Camping: Wisconsin* presents 50 private, county and state park, and lakeside campgrounds, organized into four distinct regions. Selections are based on location, topography, size, and overall appeal, and every site is rated for beauty, privacy, spaciousness, safety and security, and cleanliness--so you'll always know what to expect. The new full-color edition of this proven guidebook provides everything you need to know, with detailed maps of each campground and key information such as fees, restrictions, dates of operation, and facilities, as well as driving directions and GPS coordinates. Whether you seek a quiet campground near a fish-filled stream or a family campground with all the amenities, grab *Best Tent Camping: Wisconsin*. It's an escape for all who wish to find those special locales that recharge the mind, body, and spirit. This guide is a keeper.

Anyone interested in working in natural resources will benefit from this concise, practical introduction to the professions of forestry, fisheries, wildlife, and range management. Drawing on his nearly two decades of teaching, advising, and recruiting, the author helps readers transform their desire for an interesting and meaningful career into a purposeful and efficient path to obtaining the appropriate education, training, and experience. The logical organization and reader-friendly presentation orient readers to natural resources career possibilities, job descriptions and responsibilities, educational requirements, and potential employers. A chapter on the history of the conservation movement and the science of ecology adds context, while a capstone chapter offers real-world advice on topics such as interviewing, developing communication skills, acquiring field skills, and outdoor safety. Abundant photos enliven the discussions, while exercises provide opportunities for readers to explore, practice, and apply chapter content.
