Opposites Attract...and can thrive in a marriage built on God. The book starts with the results of a survey detailing the ten most important qualities that each man or woman wants in a spouse, then teaches us how we can be the person who breeds that quality in our husband or wife. Throughout the book the authors use their own personalities and experience with marriage to demonstrate how to do marriage right.

Her husband...a stranger Captive for seven years, Lord Guy of Hartford has lived for the moment when he would see his adored wife once more. But as he enters his keep, his own men do not recognize him, and Elizabeth's guilt is plain for all to see. Could she have betrayed him? Elizabeth hardly knows her husband in this remote, battle-scarred stranger. Yet the passionate desire between them cannot be denied. Can she find her way back into his arms-and to the love they once shared?

Benjamin Weaver, the quick-witted pugilist turned private investigator, returns in David Liss's sequel to the Edgar Award-winning novel, *A Conspiracy of Paper*. "[A] wonderful book . . . every bit as good as [Liss's] remarkable debut . . . easily one of the year's best."—The Boston Globe Moments after his conviction for a murder he did not commit, at a trial presided over by a judge determined to find him guilty, Benjamin Weaver is accosted by a stranger who cunningly slips a lockpick and a file into his hands. In an instant he understands two things: Someone wants him to hang—and another equally mysterious agent is determined to see him free. After a daring escape from eighteenth-century London's most notorious prison, Weaver must face another challenge: to prove himself innocent when the corrupt courts have shown they care nothing for justice. Unable to show his face in public, Weaver pursues his inquiry disguised as a wealthy merchant seeking to involve himself in the contentious world of politics. Desperately navigating a labyrinth of schemers, crime lords, assassins, and spies, Weaver learns that in an election year, little is what it seems and the truth comes at a staggeringly high cost. Praise for *A Spectacle of Corruption* "[A] rousing sequel of historical, intellectual suspense."—San Antonio Express-News "Liss is a superb writer who evokes the squalor of London with Hogarthian gusto."—People "In Benjamin Weaver, Mr. Liss has created a multifaceted character and a wonderful narrator."—The New York Sun

Mr. December: Adam Blair, billionaire oil baron. Dream: Producing a much-wanted heir. Dilemma: Keeping the arrangement strictly business. The time had come to move on. CEO and widower Adam Blair was determined to find the right woman to carry his baby. And when Katy Huntly, his late wife's sister, discovered his plan, she demanded to be the surrogate. The agreement certainly made sense...on paper. Adam

had always felt a certain pull toward Katy, and those feelings only intensified the closer they grew. But falling in love had no place in this tycoon's agenda. How could he imagine allowing their relationship to progress beyond nine months?

The eighty-mile journey of a common carpenter and a simple peasant girl is one of the most powerful stories in history. As books go out of print and stories fade from memory, the journey of Joseph and Mary and her delivery inside a common barn continues to bless and inspire hope in people around the world. Accompanied by moving and beautifully rendered illustrations throughout, Donna VanLiere's retelling shows that the story of the Nativity is alive in our modern world.

A Richard and Judy Summer 2013 Book Club pick. *The Sea Change* by Joanna Rossiter is a haunting and moving novel about a mother and a daughter, caught between a tsunami and a war. Yesterday was Alice's wedding day. She is thousands of miles away from the home she is so desperate to leave, on the southernmost tip of India, when she wakes in the morning to see a wave on the horizon, taller than the height of her guest house on Kanyakumari beach. Her husband is nowhere to be seen. On the other side of the world, unhappily estranged from her daughter, is Alice's mother, Violet. Forced to leave the idyllic Wiltshire village, Imber, in which she grew up after it was requisitioned by the army during World War Two, Violet is haunted by the shadow of the man she loved and the wilderness of a home that lies in ruins. Amid the debris of the wave, Alice recollects the events of the hippie trail that led to her hasty marriage as she struggles to piece together the fate of the husband she barely knows. Meanwhile, Violet must return to Imber in order to let go of the life that is no longer hers - and begin the search for her daughter. Joanna Rossiter grew up in Dorset and studied English at Cambridge University before working as a researcher in the House of Commons and as a copy writer. In 2011 she completed an MA in Writing at Warwick University. *The Sea Change* is her first novel. She lives and writes in London.
